## **HQ Global Workplaces Proposal**

### **Types of investments and Investors needed.**

Cash Equity to Date = \$25,000.00

Included here are investment types that we will accept as equity investments in place of Cash grants, loans or equity.

#### **Real Estate**

The idea property needed would be a 15 room Hotel or Motel that could be renovated or customized for our purposes, however all types of property will be considered.

Should have a Kitchen and at least 5 acres of flat land.

10 of the rooms will be used for student lodging the remainder will be used for classrooms, study hall, driving simulator, computer room, lounge.

The land will be used for equipment parking, inspection area, backing practice, yard training and docking.

Any property that can be adapted to suit this purpose could be used and accepted as an equity investment, Lease and or lease purchase. The location is not too important but should be in rural or remote area so as not to disturb any nearby residence.

#### **Equipment**

Equipment can be donated, leased, on loan in exchange for hiring preference of our graduates, or equity investment.

#### **Class 8 Trucks,**

- One with Cat engine
- One with Detroit engine
- One with Cummins engine
- One with Super 10 Transmission
- One with Automatic Transmission
- One with 13 to 18 Speed Transmission

All should be sleeper birth equipt.  
One should be a Cab Over model.  
One should be single drive axel  
The others should be Twin drive axels

Minimum of three tractors with the above combinations.

#### **Trailers**
